WELCOME

To our family...

One50 is all about *Empowering Young People* through dance.

It's about creating a positive space for young people to be inspired, build friendships and learn and perform incredible dance moves! At One50 Dance you can expect passionate teachers who care about the individual dancer as much as the dance itself! You can expect positive and respectful lyrics and movements! You can expect a welcoming atmosphere for the young person who is trying out dance for the first time right up to the most experienced. Whether you are joining us again from last year or you are new to One50, our hope is that your family will find a friendly community of support and encouragement as you dance and as you do life! We trust you will enjoy your time with us at One50!

A little bit about what we do.....

One50 Dance ran it's first dance class in term 4 of the year 2000.

Today we have several locations across SA running street funk

& hip hop *dance classes* to more than 350 students. Our classes are more than just dance classes! Each location looks slightly different but the heartbeat remains the same.

We believe that every young person is unique and special and our classes aim to unlock the greatness inside each and every one of them!

If you are interested in doing more than a casual class, selected club locations offer...

Extended Classes - an extra 45min class attached to your weekly club class challenging the dancer in performance and choreography.

Advanced Crews - an invitation only team who work & perform with One50's most experienced choreographers.

There is also opportunity to be invited to...

Competition Crew - Be a part of the next competition season with One50! We have so far been successful in holding State & Nationals Championship Titles along with being World Bid winners in 2016!

One50 Discipleship Team - A two year program where One50 Students dedicate themselves to being students of dance & life!

For over 10 years One50 *Missions teams* have travelled nationally and internationally to dance and volunteer in needed communities.

Los Angeles, New York, Singapore, Hong Kong, Vanuatu along with SA's riverland, Barossa Valley, Clare Valley & Fleurieu Peninsula Regions are just a few places One50 has had the opportunity to "Dance, Serve & Grow".

One50 Dance also runs *School workshops and programs* throughout SA metropolitan and regional areas. Here are what some faculty members had to say about One50 coming to their school...

"One50 instructors are enthusiastic, energetic and experienced at developing a great rapport with the students, which leads to maximum participation and excellent routines. Both staff and students have really enjoyed participating in these sessions."

- Torrens Valley Christian School

"That was really awesome and inspiring. The message was excellent as it complements our values and Growth Mind Set learning." - Swan Reach Area School

What do I wear?

The only dress requirements for a One50 class are...

shoes you can dance in!

clothes you can dance in!

A drink bottle in hand!

Whilst we don't require specific dance attire for our classes we ask that you come wearing clothes that aren't going to restrict your movements (ie. tracksuit pants and tshirt) and shoes that are good 'active wear' shoes (ie. sneakers).

One50 concerts

One50 traditionally has two dance concerts a year.

A casual Mid Year Showcase, and our End of Year concert which celebrates the year in a theatre with lights and costumes!

We pride ourselves on keeping our shows as inexpensive and hassle free as possible for families and try to keep each event program less than 1.5hrs.

What if I miss a class?

Whilst we encourage complete commitment to your class, we understand this isn't always easy! If your dancer happens to miss a class our teaching team will do their best to catch them up on the missed work!

Unfortunately there are no refunds on missed classes.
